Style

BACK TO BUSINESS

But not as we know it. Less formal and more fun,
we present the new rules of office wear

1 THE POST- 2 PANDEMIC SUIT

Ditch the stuffiness of a formal suit in favour of layers on top of more relaxed tailoring. If you're feeling adventurous, throw on a pair of leather sandals.

Blazer (\$6300), cardigan (\$3250), top (\$2550) and pants (\$2400) all by Prada; sandals (\$60) by Zara.

FUNKY FRIDAY

Forget Casual Friday. With lockdowns behind us for now, we suggest dressing up rather than down, in anticipation of hitting the town when 5pm strikes.

Top (\$595) by Coach; pants (\$360) by Basique; shoes (\$60) and sunglasses (\$205) by Zara.
